Welcome to the prestigious World Amateur Golfers Championship World Final 2025

It is with both pride and regret that I share this message from afar. Due to health reasons, I am unable to be with you in person for this year's celebration. However, my heart and thoughts remain deeply connected to Jeju Island, to our global WAGC family, and to each player who embodies the spirit of this championship.

The WAGC was built on principles of inclusiveness, excellence, integrity, and the belief that passion for golf transcends borders. This year in Jeju, we continue to honour that vision, celebrating not only sporting achievement but also teamwork, camaraderie, and international unity. These values are what make the WAGC truly special and enduring.

To our hosts, sponsors, officials, and partners, your unwavering support elevates amateur golf around the world. Thank you for your dedication, professionalism, and trust in our mission.

To all competitors, you stand among the finest representatives of your nations. Wear that honour proudly. Whether you leave as a champion or simply with the experience of having competed on the world stage, you carry forward the true essence of the WAGC. Dignity, perseverance, and passion for the game.

"I look forward to the day we meet again at future editions of the World Final, especially as Malaysia prepares to welcome the world to Johor for the 2026 WAGC in conjunction with Visit Malaysia Year."

I would also like to extend my sincere appreciation to the WAGC President Isac Saminathan, organising committee, volunteers, and teams behind the scenes who have ensured this event's success. Your commitment allows the championship to grow year after year.

Though I could not join you this time, I am inspired by your achievements and encouraged by the spirit you bring to this championship. I look forward to the day we meet again at future editions of the World Final, especially as Malaysia prepares to welcome the world to Johor for the 2026 WAGC in conjunction with Visit Malaysia Year.

May this World Final continue to ignite inspiration, strengthen friendships, and advance the spirit of the game. Congratulations to all players, winners, and participants for making 2025 a memorable chapter in the WAGC journey.

ISAC SAMINATHAN

PRESIDENT WAGC

As we bring the World Amateur Golfers Championship World Final 2025 in beautiful Jeju Island, Korea, to a close, it is with heartfelt appreciation that I reflect on the journey we have shared this week.

This event has once again demonstrated the true spirit of amateur golf, unity, sportsmanship, and the powerful connections forged through the game we love.

To our partners, sponsors, and participants from around the world, thank you for your unwavering support and passion. Your commitment is what continues to make the WAGC a global platform of meaning and excellence.

Our sincere gratitude goes to the four magnificent host golf courses for welcoming and accommodating our players with such professionalism. We also extend deep appreciation to the hotel management and staff for their hospitality, warmth, and dedication in ensuring the comfort of all guests.

“A special note of thanks to Tourism Malaysia for generously sponsoring this year’s gala dinner. Your contribution is deeply appreciated and reinforces the long-standing bond between Malaysia and the WAGC.”

To our organising team, your tireless effort and attention to detail form the backbone of this Championship. To Mr. Jim, for your precision in managing the handicapping and draws, and to Mr. Fazel from My Golf to You, for your professionalism and continued partnership, thank you.

I also extend my deepest gratitude to the WAGC committee, and in particular, to my right-hand man, Mr. Lincoln, whose dedication and behind-the-scenes work have been invaluable. To the Delta World team, your commitment, coordination, and support ensured a seamless and memorable event. Your contribution cannot be overstated.

Finally, to the players, you remain the heart and soul of this Championship. Your passion, camaraderie, and spirit of competition give life to the WAGC year after year.

As we bid farewell to Jeju Island, may we carry forward the friendships, memories, and inspiration gathered here. We look forward to welcoming you again at the next World Final, where the legacy of unity through sport continues to grow.

Thank you once again for being part of this remarkable journey. Until we meet again in Johor, Malaysia God bless.

On behalf of the World Amateur Golfers Championship family, it is my honour and great pleasure to welcome participants, partners, sponsors, and distinguished guests to the World Final 2025 in the breathtaking destination of Jeju Island, Korea.

This championship stands as a living testament to the vision and passion of our late founder, my father Sven Tumba. His belief was simple yet profound, to create a world-class platform where amateur golfers from around the globe could experience the thrill of professional competition, build friendships across borders, and unite through their shared love for the sport. Today, that vision continues to flourish and evolve with every World Final.

The WAGC World Final is not merely a tournament; it is a celebration of resilience, camaraderie, and the universal language of sport. Each player arrives here carrying the hopes of their nation, and leaves with new connections, experiences, and inspiration. The true victory lies not only in winning, but in the honour of representing one's country, competing with integrity, and embracing the spirit of togetherness.

I would like to express my heartfelt appreciation to the organisers, officials, volunteers, host nation, and all sponsors whose support makes this global event possible. Your dedication ensures that the legacy of WAGC continues to grow, and that thousands of amateur golfers are given the opportunity to live their dreams on an international stage.

"The true victory lies not only in winning, but in the honour of representing one's country, competing with integrity, and embracing the spirit of togetherness."

As we gather in Jeju Island, may we also reflect on the journey ahead. Next year, Malaysia will proudly host the World Final in conjunction with Visit Malaysia Year 2026. We look forward to once again coming together in Johor, Malaysia, where the warmth of hospitality and the spirit of the WAGC will shine even brighter.

To every participant, may the friendships forged here endure, may your experiences enrich you, and may this event inspire your continued love for the game. Congratulations to all players and champions of WAGC 2025. Your stories are now part of this remarkable legacy.

Thank you and well done.

WAGC PATRON

Dear Golf Friends,

As a proud patron of the World Amateur Golfers Championship, it is exciting to see WAGC's rapid growth and its rising profile within the global golfing community. The true spirit of Sven Tumba continues to shine, and his vision of bringing countries and cultures together through golf remains deeply inspiring.

Sven and his family have played an important role in my career, and I am honoured to remain a devoted patron. I hope to see you in Johor, Malaysia in 2026, and I wish all participants the very best of luck.

Dear Golfers,

It is a pleasure to welcome you to this prestigious amateur golf championship, held at the magnificent golf courses on Jeju Island, Korea — a destination renowned for its breathtaking scenery and challenging playing conditions. This year, national qualifiers from around the world will compete not only for the honour of becoming World Champion but also against the cold and the gruelling winds that Jeju Island is famous for.

As the Head of Rules Officials, my foremost responsibility is to ensure that all players compete in accordance with the R&A Rules of Golf. In addition, it is our duty to assist players with rulings and clarifications throughout the championship. Upholding these standards is essential to maintaining the integrity of the competition, as the Rules of Golf provide a consistent framework of regulations and procedures by which the game should be played.

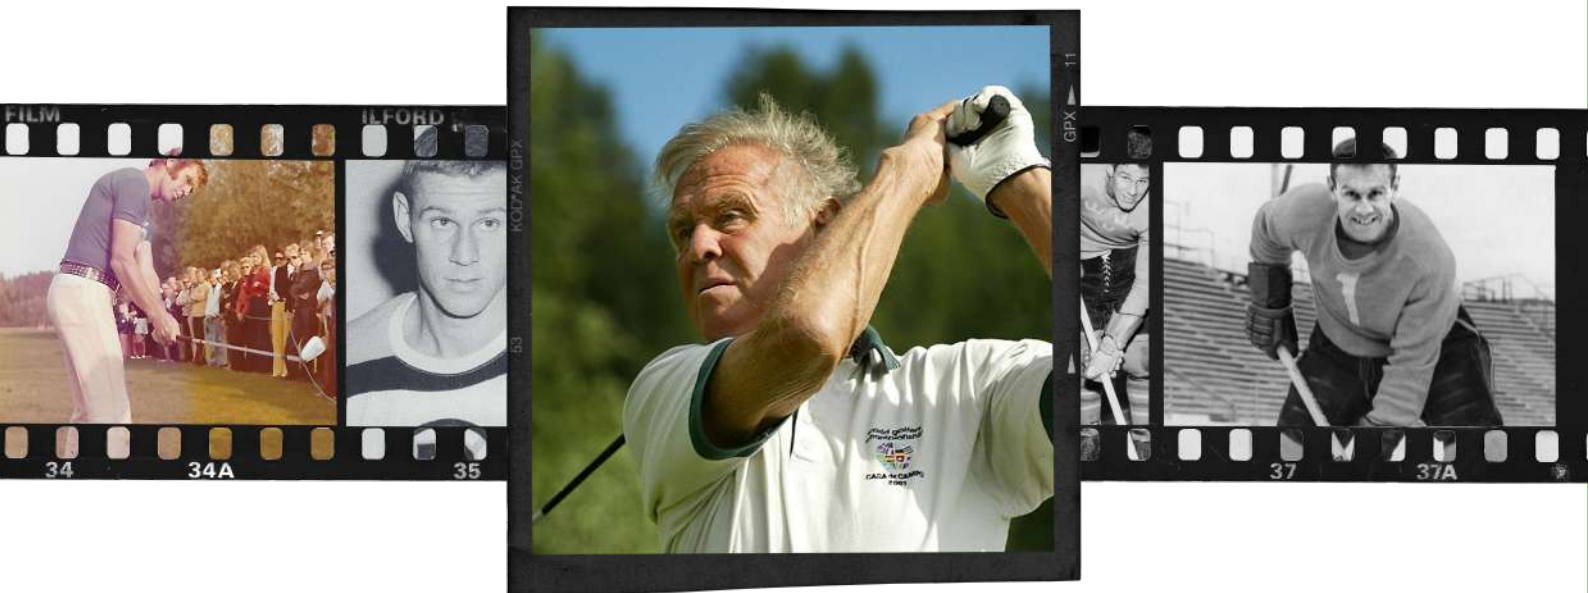

SUNNY RAMAN

CHIEF REFEREE

IN MEMORIAM

SVEN TUMBA

Sven Tumba (born Sven Olof Gunnar Johansson; 27 August 1931 – 1 October 2011) was one of the most prominent Swedish ice hockey players of the 1950s and 1960s. He also represented Sweden in football as well as golf.

Johansson first became known as "Tumba" in the 1950s since there were other players with the same last name, and he grew up in the Swedish town of Tumba. In October 1960, he married his wife Mona and five years later he, along with Mona, legally changed his family name to Tumba. After his retirement from hockey, he became an accomplished golfer, a golf course designer as well as an ambassador to the game of golf, even officially introducing the game of golf to the former Soviet Union. He died on 1 October 2011 after being in the Danderyds Sjukhus Hospital for three months due to an infection in the hip. He was subsequently honoured prior to the Eltserien games that were played that day, with a one-minute silence. His body was buried at the Engelbrekt Church in Östermalm, Stockholm, on 20 October 2011. Approximately 500 friends and relatives arrived at the church to leave flowers and honour Sven Tumba.

Tumba played for the Swedish Club Djurgårdens IF from 1950 to 1966, winning eight Swedish Championships and leading the league top goal scorer three years. He had a lengthy international career, playing for Sweden at 14 IIHF World Championships, four Winter Olympics, named best forward at the 1957 and 1962 World Championships and top scorer at the 1964 Winter Olympics. He also captained the national team. Djurgårdens has retired number 5 in his honour

Tumba still holds the Swedish scoring record of 186 goals (in 245 games) for the Swedish national team. In 1997 he was inducted into the IIHF Hall of Fame and was in 1999 awarded the "Best Swedish Ice-hockey Player of All Times", outvoting prominent players such as Peter Forsberg and Mats Sundin. Tumba was the first European player to attend an NHL training camp, with the Boston Bruins in 1957.

Friendships and business relationships that have been formed through his great vision to unite people through sport, regardless of language or cultural barriers, are testament to a legacy that is alive and prospering. It remains our privilege and honour as golfers, to keep Sven's spirit alive through the World Amateur Golfers Championship.

4 GOLF COURSES

Arden Hill Resort & Golf Club

Course Layout : 18-hole Championship Course (Par 72) Linear design with dramatic elevation changes. Strategic green complexes demanding precision shots.

Shineville Park Country Club

Shineville Country Club, located in the picturesque city of Seogwipo-si on Jeju Island, South Korea, is a premier 18-hole golf course that offers an unforgettable playing experience. The course's strategic design challenges players of all skill levels while showcasing the natural beauty of Jeju-do.

Lotte Skyhill Jeju Ocean Course

The standout feature is the strategic split-fairway 6th, which offers players choice—but often gives a clear advantage to those who can navigate the long left side, while cautious players on the right face tighter landing zones and water hazards.

Lotte Skyhill Jeju Forest Course

The Forest loops through mature parkland with significant elevation (up to ~1,500ft at its highest point). It features strategic routing around granite outcrops, stone walls and dry streambeds—natural Jeju elements that were integrated deliberately.
